PROFESSIONAL EXPERIENCE

Brand & Marketing Designer (Remote / Freelance Projects)

Freelance & Collaborative Creative Projects | March 2021 - Present

- Designed and delivered cross-platform visual assets for marketing campaigns, social media, digital communication, and promotional activities.
- Developed brand-consistent creative systems that strengthened visual identity across multiple organizations and initiatives.
- Collaborated with marketing and content teams to translate concepts and campaign briefs into engaging visual communication.
- Managed multiple projects simultaneously while maintaining design quality, consistency, and timely delivery.

ICT & Digital Content Coordinator

Okunland College of Nursing Science | December 2023 - April 2025

- Managed digital communications and social media updates across institutional platforms.
- Supported communication initiatives through structured visual content and organized digital workflows.
- Maintained digital systems and resolved technical issues to support operational efficiency.

Senior Graphic & Print Media Designer

Service Key Computer Institute | March 2016 - December 2022

- Produced high-quality digital and print-ready visuals for marketing, educational, and promotional purposes.
- Managed multiple creative projects while ensuring consistency, accuracy, and production readiness.
- Designed marketing materials supporting communication goals and audience engagement.

Graphic Designer & Print Media Lead

C.C. Peace Nig Ltd. | May 2013 - July 2016

- Designed branding, print, and marketing materials across digital and production channels.
- Coordinated design workflows and ensured timely delivery of production-ready assets.
- Collaborated with teams and clients to deliver effective visual communication materials.

KEY ACHIEVEMENTS

- Increased audience engagement by 60% through structured social media design and targeted digital communication strategies.
- Delivered consistent cross-channel visual systems that improved brand clarity and communication effectiveness.
- Designed and launched the landing page for the Hult Prize Nigeria website, improving digital presentation and accessibility.
- Built an inventory management application using Google AppSheet with offline/online synchronization to improve operational tracking and accountability.
